Grillin, Chillin, and Killin

The neighbors of Sunny Lane are an eclectic group of people. Kris, a professional magician in the neighborhood that strongly upholds the Magician's Oath and Code of Ethics, doesn't typically invite guests over - in fear that magical secrets may become popular knowledge. Rumor has it that Kris has rented a storage facility to hide certain gadgets, contraptions and props. You have received your invitation, and cannot wait to soak up some sun, play backyard party games and enjoy some delicious grilled food with your neighbors. Maybe you'll even learn some secrets.
